

PRESS RELEASE

More connections to the UK:

ITA Airways launches the new Rome Fiumicino - London City flight with 12 weekly frequencies in the Summer Season

On sale a fifth roundtrip flight from Milan Linate to London City to be operated in Summer 2024

Rome, December 14th, 2023 – ITA Airways continues to ensure connections to the UK and introduces a new nonstop flight between Rome Fiumicino (FCO) and London City Airport (LCY), in response to significant demand from leisure and business customers of the two capitals. The route, served with the new Airbus A220-100, will be operated from April 1st, 2024, with 12 weekly frequencies.

Moreover, the Company is opening for sales an additional frequency (the fifth) between Milan Linate and London City, which will be operated in the summer season from April 10th 2024 and will increase the weekly frequencies between Milan and London City to 31. This additional service will also be operated with an Airbus A220-100.

The UK proves to be an even more strategic market for ITA Airways thanks to the daily connections between London and its hubs of Rome Fiumicino and Milan Linate operating on the British market in the upcoming summer season.

The new connections in the UK market can be purchased on all ITA Airways sales channels, via the official [ita-airways.com](https://www.ita-airways.com) website, the Company's call center, travel agencies and airport ticket offices.

About ITA Airways

ITA Airways is a company totally owned by the Italian Ministry of Economy and Finance for the exercise of business in the air transport sector. ITA Airways aims at creating an efficient and innovative air carrier that will become a reference point in providing Italy with quality connectivity both in terms of international destinations, thus boosting tourism and foreign trade, and within the Country, also taking advantage of the train-air integrated mobility. ITA Airways will place the best customer service at the center of its strategy (through a strong digitization of processes that ensure a best-in-class experience and personalized services), combined with sustainability, in its environmental (new green and technologically advanced aircraft, use of sustainable fuels), social (equality and inclusion for a gender-neutral company) and governance (integration of sustainability into internal strategies and processes) aspects. ITA Airways is a member of SkyTeam alliance as of October 2021.
